MESSAGE

It is a great pleasure to know that the Alumni of Govt. College of Art and Crafts, Khallikote, Ganjam is organizing a virtual show "**Akankshya**". No doubt this is the bestst weapon to defend the Covid-19 by means of visual forms, beauty and pleasure. It has not restricted the artists whose visionary are multi-facial through the play of different colours, forms, lines and tones.

Khallikote Art College is one of the premier institutions in the country. This institution had produced thousands of talented artists who have gained good name and fame and have brought ample pride to the State in many occasions. During the Covid-19 pandemic, when the entire world is silent, away from all pleasing forms, the Alumni of the institution will certainly open up a new dimension in the minds of the budding artists, friends and art lovers.

I congratulate the organizers for their great endeavour and wish this exhibition a grand success.

Message

I am delighted to know that the Alumni of this College are organizing an exhibition through virtual mode during this pandemic period during the forthcoming Republic Day. I am as a part of the Alumni have immense dream to lead the Alumni in a dynamic way for over all amelioration of the institution and the students to stand in the international platform to sing the joyous song of the glory of more than half a century of its inception.

“The Khallikotians” have taken much pain to organize this show bringing thousands of passed out students to a single platform. This premier institution has produced many talented students who have gained good names and fames and have brought much pride to the state. This is high time to bring all the students of this institution both inside and outside to come under the shadow of single umbrella for overall growth of the institution.

I wish this show a grand success.

MESSAGE

I have immense pleasure to know that the students of "KHAKLLIKOTIANS" have arranged a group show "Akankshya" through virtual means while the murmuring sound of the Covid-19 is still ringing around us. But the energetic young artists having multidimensional virtues have come forward to subdue the threat of Corona by displaying the beauty of ambrosia. The unseen visionary can't threaten the creators who are sound in the pleasure garden of line, colour and form, having the command over to change the shape and form. They can overcome all drastic hazards even beyond the invisible world. When the supreme God has closed down all the visible doors of pleasure garden, but can't restrict to open up the virtual windows through which one can see the beauty of multidimensional pleasure.

On the eve of the celebration of India's seventy - three Republic Day, the "KHALLIKOTIANS" have come up with great pump to celebrate the Republic Day within their friends, art lovers and other onlookers by displaying their store house of beauty and pleasure.

I do congratulate them for their great venture keeping behind all pains to exhaust the Corona for all times to come.

MESSAGE

Whenever I remember Government College of Art and Crafts at Khallikote, where my journey as an artist truly began, I am filled with pride. The soil, the water, the mountains and the people of Khallikote were all my teachers. The teachers in college gave generously and but for them my subsequent evolution as a professional artworker would never materialize.

I am delighted that after a long time and a great deal of effort, we have finally managed to activate our alumni network. Our alumni association will soon make its debut. Let me take this opportunity to appreciate the determination and persistence of my contemporaries and others who have arranged an online art exhibition called 'Akankshya', 2022 on this occasion. It is a first baby step towards the formation of our alumni association. Yet, every first step bears within it the potential of future expansion and greatness. I look forward to the alumni association spreading its wings.

I wish the 1st 'Akankshya' Khallikote Alumni exhibition 2022 every success. The sincerity and hard work of the organizers deserve our gratitude and best wishes.
